### TO TELL THE TRUTH

I swore to tell the truth, the whole truth, and nothing but the truth, so help me God, and that is what I am going to do. I intend to be fair with both the captain of the Chiusa Maru and with the captains of the inter-isl and steamers."

The above earnest declaration was made by Captain MacCauley, the harbor offor, on the stand in the case of the libel against the Japanese steamer. As no said it, he stood up in the witness box and held his hand toward beaven. The Captain was very much

The statement was brought out by the factics of the attorney for the Chimen, who had been asking a series of SUGAR, questions well calculated to make the witness lose his head. But they didn't succeed. The Captain merely insisted

Captain MacCauley has been on the stand for a day and a half now, and he is not through yet. His cross-ex amination was still in progress when 2 p. m. The evident effort of the defense is to attempt to prove that the

On the strength of the way in which cople throughout the provinces have eccived the Hawaiian sisal or maguey plant, the Bureau of Agriculture has ordered another shipment of 120,000 which will arrive here December 2 on the transport Logan.

Since August over 500 requests have been received by the Bureau of Agri culture for sisal plants. Several provincial Governors and planters have reported that their first consignment of plants have done exceptionally well

The Governor of Iloilo has asked for 100,000 plants, and Fiscal Singson of llocos Norte wrote two months ag that his plants were doing well, and he anticipated such good results that he asked for several thousand more tree samples.

The shipment on the Logan will be sent throughout the islands as soon as received, after which plans will be made for ordering a still larger consignment for next year.
